Riders travelling to the US and representing AMGA as part of an International Competition and Tour are required to be appropriately behaved at all times whilst representing AMGA which includes competitions, interacting with other members of AMGA and MGAA, interacting with members of the general public and at all times while on public display as well as the treatment and care of loan horses both whilst riding and on the ground. Due to the extended period of time that riders will be away and the billeting of members in homes, riders are expected to behave especially well as they are guests in other peoples homes.

AMGA will not tolerate any behaviour which reflects badly on AMGA as this is an opportunity to showcase AMGA to not only the broader horse community but also the general public. Any reports of inappropriate behaviour may result in disciplinary action and exclusion from selection in future.

If selected I agree to abide by these conditions.
