1. Previous meeting minutes Attached	5	Moved that the minutes be accepted Moved: Maureen Purdie Seconded: Robyn Slater Carried Business Arising: Weather policy ➡ AMGA-POL-05 Weather Management Policy Moved that this be adopted : Ben Logue Seconded: Robyn Slater Carried Motion from NSW - That we should have 2 selectors for each Branch. Reason being, in the scenario like we had at Albury, only two selectors were there (Ben and Scottie). Robyn asked about reasoning, Is it so all states are represented?" Ben said that gives 2 sets of eyes. Brad said that he wasn't sure it would change anything. Robyn felt that it could give some states an advantage. Ben said that there is a perception that NSW selector pushes NSW riders. That is not the case, selectors discuss all riders. Scottie said it is difficult to watch riders while organising an event. He said if the branch wants an U18 and an open selector. Ben said could appoint another person from their branch if the selector can't be there. Recognise these people at events. Laragh suggested that with 2 they can have a conversation but only 1 is given the right to vote. Sean said we may need to adjust the selection document. Selectors to work on this.
