## **7. Protection of Children**

### **7.1 Child Protection**

The Australian Mounted Games Association is committed to the safety and wellbeing of children and young people who participate in our organisation's activities or use our services. We support the rights of the child and will act at all times to ensure that a child safe environment is maintained. We also support the rights and wellbeing of our staff and volunteers and encourage their active participation in building and maintaining a secure and safe environment for all participants.

The Australian Mounted Games Association acknowledges the valuable contribution made by our volunteers and we encourage their active participation in providing a safe, fair and inclusive environment for all participants.

#### **7.1.1: Identifying and Analysing Risks of Harm**

The Australian Mounted Games Association will develop and implement a risk management strategy, which includes a review of our existing child protection practises, to determine how child-safe our organisation is and to identify any additional steps we can take to minimise and prevent the risk of harm to children because of the action of an employee, volunteer or another person.

#### **7.1.2: Developing Codes of Conduct for Adults and Children**

We will develop and promote a code of conduct that specifies standards of conduct and care we expect of adults when they deal and interact with children, particularly those in our care. We will also implement a code of conduct to promote appropriate behaviour between children.

#### **7.1.3: Choosing Suitable Employees and Volunteers**

The Australian Mounted Games Association will ensure that the organisation takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children, especially those in positions that involve regular unsupervised contact with children. This may be achieved using a range of screening measures. Such measures will aim to minimise the likelihood of engaging (or retaining) people who are unsuitable to work with children.

The Australian Mounted Games Association will ensure that Working with Children Checks and criminal history assessments are conducted for employees and volunteers working with children, where an assessment is required by law. If a criminal history report is obtained as part of the screening process, the Australian Mounted Games Association will ensure that the criminal history information is dealt with confidentiality and in accordance with relevant legal requirements. (See Attachment 1.3)

#### **7.1.4: Support, Train, Supervise and Enhance Performance**

The Australian Mounted Games Association will ensure that all our employees and volunteers who work with children have ongoing supervision; support and training. Our goal is to develop their skills and capacity and to enhance their performance so we can maintain a child-safe environment in our club.

#### **7.1.5: Empower and Promote the Participation of Children In Decision-Making And Service Development**

The Australian Mounted Games Association will promote the involvement and participation of children and young people in developing and maintaining a child-safe environment in our organisation.

#### **7.1.6: Report and Respond Appropriately to Suspected Abuse and Neglect**

The Australian Mounted Games Association will ensure that employees and volunteers are able to identify and respond appropriately to children at risk of harm and that they are aware of their responsibilities under state laws to make a report if they suspect on reasonable grounds that a child has been, or is being, abused or neglected (See Attachment 4).

In addition to any legal obligations, if any person believes that another person or organisation bound by this policy is acting inappropriately towards a child or is in breach of this policy they may make an internal complaint.

Please refer to our complaints procedure in section 9 of this policy.

Any person who believes a child is in immediate danger or in a life threatening situation, should contact the police immediately.

## **8. Discrimination, Harassment and Bullying**

Our association is committed to providing an environment in which people are treated fairly and equitably and that is, as far as practicable, free from all forms of discrimination, harassment and bullying.

We recognise that people may not be able to enjoy themselves or perform at their best if they are treated unfairly, discriminated against, harassed or bullied.

### **8.1 Discrimination**

Unlawful discrimination involves the less favourable treatment of a person on the basis of one or more of the personal characteristics protected by State or Federal anti-discrimination laws.

Discrimination includes both direct and indirect discrimination:

- **Direct discrimination** occurs if a person treats, or proposes to treat, a person with a protected personal characteristic unfavourably because of that personal characteristic.
- **Indirect discrimination** occurs if a person imposes, or proposes to impose, a requirement, condition or practice that will disadvantage a person with a protected personal characteristic and that requirement, condition or practice is not reasonable.

For the purpose of determining discrimination, the offender's awareness and motive are irrelevant.

## **8.2 Harassment**

Harassment is any unwelcome conduct, verbal or physical, that intimidates, offends or humiliates another person and which happens because a person has a certain personal characteristic protected by State or Federal anti-discrimination legislation.

The offensive behaviour does not have to take place a number of times, a single incident can constitute harassment.

Sexual harassment is one type of harassment. Sexual harassment involves unwelcome conduct, remarks or innuendo of a sexual nature. It covers a wide range of behaviours and can be verbal, written, visual or physical. Sexual harassment is not limited to members of the opposite sex.

Every person is covered by the anti-discrimination laws that apply in their State as well as the Federal anti-discrimination laws.

The following is a list of all the personal characteristics that apply throughout Australia:

- gender;
- race, colour, descent, national or ethnic origin, nationality, ethno-religious origin, immigration;
- national extraction or social origin;
- marital status, relationship status, identity of spouse or domestic partner;
- pregnancy, potential pregnancy, breastfeeding;
- family or carer responsibilities, status as a parent or carer;
- age;
- religion, religious beliefs or activities;
- political beliefs or activities;
- lawful sexual activity;
- sexual orientation and gender identity;
- profession, trade, occupation or calling;
- irrelevant criminal record, spent convictions;
- irrelevant medical record;
- member of association or organisation of employees or employers, industrial activity, trade union activity;
- physical features;
- disability, mental or physical impairment;
- defence service; and
- personal association with someone who has, or is assumed to have, any of these personal characteristics.

Legislation also prohibits:

- racial, religious, homosexual, transgender and HIV/AIDS vilification; and
- victimisation resulting from a complaint.

## **8.3 Bullying**

The Australian Mounted Games Association is committed to providing an environment that is free from bullying. We understand that bullying has the potential to result in significant negative consequences for an individual's health and wellbeing, and we regard bullying in all forms as unacceptable at our club.

Bullying is characterised by repeated, unreasonable behaviour directed at a person, or group of persons, that creates a risk to health and safety. Bullying behaviour is that which a reasonable person in the circumstances would expect to victimise, humiliate, undermine, threaten, degrade, offend or intimidate a person. Bullying behaviour can include actions of an individual or group.

Whilst generally characterised by repeated behaviours, one off instances can amount to bullying.

The following types of behaviour, where repeated or occurring as part of a pattern of behaviour, would be considered bullying:

- verbal abuse including shouting, swearing, teasing, making belittling remarks or persistent unjustified criticism;
- excluding or isolating a group or person;

- spreading malicious rumours; or
- psychological harassment such as intimidation.

Bullying includes cyber-bullying which occurs through the use of technology. New technologies and communication tools, such as smart-phones and social networking websites, have greatly increased the potential for people to be bullied through unwanted and inappropriate comments. The organisation will not tolerate abusive, discriminatory, intimidating or offensive statements being made online.

If any person believes they are being, or have been, bullied by another person or organisation bound by this policy, he or she may make a complaint. (Refer to Item 9 of this policy.)

## **9. Responding to Complaints**

A section of our constitution outlines the process for managing breaches of our rules and regulations. This should be enacted within the context of the following

### **9.1 Complaints**

Our club takes all complaints about on and off-field behaviour seriously. organisation will handle complaints based on the principles of procedural fairness, and take steps to ensure:

- all complaints will be taken seriously;
- the person about whom the complaint is made will be given full details of what is being alleged against them and have the opportunity to respond to those allegations;
- irrelevant matters will not be taken into account;
- decisions and penalties imposed are fair and reasonable

If the complaint relates to suspected child abuse, sexual assault or other criminal activity, then our club may need to report the behaviour to the police and/or relevant government authority.

### **9.2 Complaint Handling Process**

When a complaint is received by our association, the person receiving the complaint (e.g. President, Member Protection Information Officer) will:

- listen carefully and ask questions to understand the nature and extent of the concern;
- ask what the complainant how they would like their concern to be resolved and if they need any support;
- explain the different options available to help resolve the complainant's concern;
- inform the relevant government authorities and/or police, if required by law to do so; and
- where possible and appropriate, maintain confidentiality but not necessarily anonymity.

Once the complainant decides on their preferred option for resolution, the club will assist, where appropriate and necessary, with the resolution process. This may involve:

- supporting the person complaining to talk to the person being complained about;
- bringing all the people involved in the complaint together to talk objectively through the problem (this could include external mediation);
- gathering more information (e.g. from other people that may have seen the behaviour);
- seeking advice from our district, regional, state and/or national body or from an external agency (e.g. State Department of Sport or anti-discrimination agency);
- referring the complaint to our branch and/or national committee; and/or
- referring the complainant to an external agency such as a community mediation centre, police or anti-discrimination agency.

In situations where a complaint is referred to the national committee or disciplinary panel, and an investigation is conducted, the branch and individuals will:

- cooperate fully with the investigation;
- where applicable, ensure the complainant is not placed in an unsupervised situation with the respondent(s); and
- act on our national association's recommendations.

At any stage of the process, a person can seek advice from an anti-discrimination commission or other external agency and, if the matter is within their jurisdiction, may lodge a complaint with the anti-discrimination commission or other external agency.

Where the formation of a disciplinary panel, or the referral to a national committee, is required, the panel/committee will:

- be as impartial as is practical
- make all parties aware of any potential or actual conflicts of interest (e.g. family member, prior or existing relationship, riding partnership etc., with the complainant or the respondent)
- Deliberate in a timely manner, and
- maintain and enforce the rules of the association

### **9.3 Disciplinary Sanctions**

Our club may take disciplinary action against anyone found to have breached our policy or made false and malicious allegations. Any disciplinary measure imposed under our policy must:

- be applied consistently with any contractual and employment rules and requirements, and the steps outlined in the constitution;
- be fair and reasonable;
- be based on the evidence and information presented and the seriousness of the breach; and
- be determined by our constituent documents, by-laws, policies and procedures, the Mounted Games rulebook.

Possible sanctions that may be taken include:

**Travelling to other states or territories**

It is important to remember that when travelling to other states or territories, representatives of sporting organisations must comply with the legislative requirements of that particular state or territory.

In certain jurisdictions, temporary, time limited exemptions from working with children checks may be available for interstate visitors with a Working with Children Check in their home state.

The laws providing interstate exemptions are not consistent across Australia.

If an employee or volunteer for your club is travelling interstate to do work that would normally require a working for children check, you will need to check the relevant requirements of that state or territory.

## PROCEDURE FOR HANDLING ALLEGATIONS OF CHILD ABUSE

**If you believe a child is in immediate danger or a life-threatening situation, contact the Police immediately on 000.**

Fact sheets on reporting allegations of child abuse in different states and territories are available at [www.playbytherules.net.au](http://www.playbytherules.net.au)

We will treat any allegation of child abuse or neglect promptly, seriously and with a high degree of sensitivity.

All people working within a paid or unpaid capacity have a duty to report any concerns to the appropriate authorities, following the steps outlined below.

### Step 1: Receive the allegation

If a child or young person raises with you an allegation of child abuse or neglect that relates to them or to another child, it is important that you listen, stay calm and be supportive.

Make sure you are clear about what the child has told you	Do not challenge or undermine the child
Reassure the child that what has occurred is not his or her fault	Do not seek detailed information, ask leading questions or offer an opinion.
Explain that other people may need to be told in order to stop what is happening.	Do not discuss the details with any person other than those detailed in these procedures.
Promptly and accurately record the discussion in writing.	Do not contact the alleged offender.

### Step 2: Report the allegation

- Immediately report any allegation of child abuse or neglect, or any situation involving a child at risk of harm, to the police and/or the relevant child protection agency. You may need to make a report to both.
- Contact the relevant child protection agency or police for advice if there is **any** doubt about whether the allegation should be reported.
- If the allegation involves a person to whom this policy applies, then also report the allegation to the **President of AMGA** so that he or she can manage the situation.

**Step 3: Protect the child and manage the situation**

- The *Competition organiser* will assess the immediate risks to the child and take interim steps to ensure the child’s safety and the safety of any other children. This may include redeploying the alleged offender to a position where there is no unsupervised contact with children, supervising the alleged offender or removing/suspending him or her until any investigations have been concluded. Legal advice should be sought before any interim steps are made if the person is an employee of AMGA
- The *Member Protection Officer of the AMGA Branch where the allegation was reported or the Branch President* will consider what services may be most appropriate to support the child and his or her parent/s.
- The *Member Protection Officer of the AMGA Branch where the allegation was reported or the Branch President* will consider what support services may be appropriate for the alleged offender.
- The *Member Protection Officer of the AMGA Branch where the allegation was reported or the Branch President* will seek to put in place measures to protect the child and the alleged offender from possible victimisation and gossip.

**Step 4: Take internal action**

- At least three different investigations could be undertaken to examine allegations that are made against a person to whom this policy applies, including:
  - a criminal investigation (conducted by the police)
  - a child protection investigation (conducted by the relevant child protection agency)
  - a disciplinary or misconduct inquiry/investigation (conducted by **AMGA**)
- **AMGA** will assess the allegations and determine what action should be taken in the circumstances. Depending on the situation, action may include considering whether the alleged offender should return to his or her position, be dismissed, banned or suspended or face other disciplinary action.
- If disciplinary action is undertaken, we will follow the procedures set out in *Clause 9* of our Member Protection Policy.
- Where required we will provide the relevant government agency with a report of any disciplinary action we take.
- **Contact details for advice or to report an allegation of child abuse**
